Professional Experience and Curriculum Vitae

Sports-/Lifestyle-/Water - Photographer with an emphasis on story telling, high profile photo spreads for editorials and advertorials.

Starting off with pure action, sports/extreme sports photography Andy made a transition to staged, artistic, highend portrait and lifestyle photography.

The element of water is his second nature and he's bringing this dedication and passion into projects getting booked for underwater photo shootings around the globe.

Previous Clientele

magazines and newspapers like GQ, Süddeutsche Zeitung, Frankfurter Allgemeine and companies/brands like ProSieben, Red Bull, Planet Sports

Awards and Accolades

Professional Photography since 6 years. I started off with pure action sports/extreme sports photography and made a transition to lifestyle-/fashion and staged, artistic high end photography. The element of water is my second home and I'm bringing in this dedication and passion into my assignments getting booked for underwater photo shootings.
