Professional Experience and Curriculum Vitae

I am an Illustrator/ Graphic Designer based in London. Even though I always had a creative flair and was hand drawing, I discovered digital art in 2016. Ever since, I worked on a number of personal projects to improve my technique and I attended a variety of courses to develop my professional skills. My work is supported mainly by freelance illustration projects for web and print.

Previous Clientele

Freelance projects

Art Commissions for private individuals
Screen splash illustration for mobile arcade game
Menu design for Frederick's restaurant
Greeting cards design
Illustrations for posters/ t-shirts/ calendars/ mugs/ gifts
