Professional Experience and Curriculum Vitae

Besides my jobs as a freelancer, part-time child care worker and sometimes tutor, I do a lot of social networking for Enterprising and Professional Women (a part of Business and Professional Woman International) as well as for my own work. As for my hobbies, I like to knit. I also sometimes write poetry...I have several books published on lulu.com

Previous Clientele

Webdiff

Various people via vworker.com (now freelancer.com)
