Siem Reap Photography Tours
Cambodia Photography Tours
Siem Reap photographer

Based in Siem Reap, gateway to the famous temples of Angkor, Laurent Dambies, professional photographer, organizes tailored photography tours for beginners and experienced photographers who are visiting South East Asia. Many tours are available in the temples of Angkor and in the nearby Siem Reap countryside. Photography Tours are also available in Phnom Penh and Battambang.

Previous Clientele

ANGKOR PHOTOGRAPHY TOUR

A full day of exploration with Angkor Wat Photography from sunrise to sunset. The top 3 temples and some hidden treasures in the city of Angkor Thom.

SIEM REAP PHOTOGRAPHY TOUR

This 3 or 4-day private photography tour aims to bring you the best photographic experience you can get in Siem Reap. The area we will cover has much to offer with the unique temples of the archeological park, Tonle Sap lake, the lush countryside, colorful monasteries, and of course its friendly people. This program will assure you to practice photography in very different environments and have at the end of this trip memorable pictures of your stay in Cambodia. As this tour is limited to 2 or 3 people, it guarantees
