Professional Experience and Curriculum Vitae
My name is Anita Benkovi?ová and I live in Slovakia. I am a member of one fotoclub in Galanta in my hometown and I love to create unusual photos for myself and for my friends. I like to catch our life with a camera and put it on a photo and also to put there something more which mostly we can not tell it with words just only to see it and feel it. I have been using this wonderful thing "camera" since 2007.
