## **Professional Experience and Curriculum Vitae**

Anna Sutor graduated from the faculty of Architecture of Venice (IUAV) in 1998. After a Master at the Architectural Association, in London, she worked as an architect first for Rem Koolhaas, in Rotterdam, then for Norman Foster, in London. In 2001 she moved to Milan, where she currently lives and works between architecture, illustration and film making. Her drawings have been on various European and Brazilian newspapers, magazines, books, records, advertisements.

She was awarded several prizes by the Association of Italian illustrators.

She exhibited her work in Italy, England, Holland and Brasil.

Among her clients there are: Il Sole 24 ore, Ventiquattro Magazine, IL Magazine, La Triennale di Milano, Aspenia Review, Sanpellegrino, Case da Abitare, Mondadori, SAATCHI & SAATCHI, Banca Intesa Sanpaolo, Clei furniture.
