Professional Experience and Curriculum Vitae

I am Anne Furr and Passionate about the fashion industry and current trends. Spent the better part of the 90's lecturing about mantra to attract someone specific in Tukwila, FL. Now I'm developing a line of corsets and i i am also exploring the development of smart garments. I've been studying fashion design for 3 years. Now, I don't really know what I'm doing, I'm taking the days as they come, travelling and trying to create as much as I can in between.
