Professional Experience and Curriculum Vitae
iNet Group:

We Build, Redesign & Optimize WordPress, Wix, Squarespace & Carrd Websites
Your website is your first impression. At iNet Group, we help startups, freelancers, and small businesses build, redesign, and optimize beautiful websites that perform fast and rank higher. We also offer a SEO Package.

We work with WordPress, Wix, Squarespace, and Carrd — the top platforms for affordable, professional web design. Whether you need a quick one-page site or a fully optimized page build, we make it happen.
