Professional Experience and Curriculum Vitae

Living in Los Angeles, California, Spencer loves to listen to music and paint daily. He takes inspiration from his immediate surroundings, real or imagined, and paints into the wee hours of the night. Scott began painting full time after a brush with cancer in 1999. He is represented by renowned gallerist and art dealer Biljana Grcic-Beran through Galeria Jan in La Jolla, California, and was admitted into the Pasadena Society of Artists in 2004.
