Professional Experience and Curriculum Vitae

Raman Bhardwaj is a South Asian illustrator based in Greensboro, NC who currently freelances as an illustrator, painter and muralist. With a BFA in applied art and an MA in History of Fine Art, he started his career as an illustrator for leading English Newspapers in India, The Indian Express and in decade's period he published about 3000 illustrations about urban life. He also worked for The Times of India, Santabanta.com before starting his self employed career in 2012.

He won a national award in 1995 by NCERT, New Delhi, India for illustrating a Punjabi children's book.

Raman has a passion for creating original artwork for children books using digital media. Raman has illustrated several books for both published and self-published authors.

His engaging, colorful style is sought after for corporate illustrations, media, picture books, chapter books and cartoon illustrations.
