Professional Experience and Curriculum Vitae

Sargent Illustration & Design, LLC started 2006 to provide health care professionals clear, insightful illustrations and animations. After earning a Bachelor's Degree in Art from the University of Georgia, Rick received a Master of Science in Medical Illustration degree from the Medical College of Georgia and his certification from the Association of Medical Illustrators. Following graduation, he worked as an Art Director and Staff Illustrator for the Hughston Sports Medicine Foundation where his work was featured in an award-winning quarterly newsletter and earned an Award of Merit from the Academy of Orthopaedic Surgeons.

Previous Clientele

Working with companies such as Novo Nordisk, Inc., Convatec, Inc. and Togo Run, our network of graphic designers, programmers, and animators have created successful projects for our clients.
