## Professional Experience and Curriculum Vitae

Creativity is my cup of tea and of course technical knowledge is the sugar. I'm a fusion of both. I'm an inspiring, truly natural, next-generation cult designer! With a niche to think critical and an ability to do it.

Besides that, I'm a fun loving person with a cool head.:):)

## Previous Clientele

Please kindly get in touch for more information.

## Awards and Accolades

Arun Shourie

Interactive. Creative. Director.
