Awards and Accolades

Born in 1966, native of Maine-et-Loire, I am a full autodidacte.

I consider as a creator of images between the photography and the paint(painting).

Attracted by the image under all its artistic forms, I began to work

Photographic techniques in the 90s.

Immigrating on the region of Montpellier in 1993, I met several artists of all kinds:

Musicians, comedians, painters, photographers ... The fruit of these meetings allowed me of experimented the grip(taking) it seen and the work the year lab during factual demonstrations(appearances):carnaval, concert, theater, cabaret.

In association with other photographers en1997, we realized an exhibition(exposure) on the population sedentary gypsy in 1997 in Lunel, near Montpellier. First very enriching experience(experiment) in collective
