Professional Experience and Curriculum Vitae

A flexible, highly creative, brand consultant and graphic designer. With a wide range of brand communication experience. His creative intelligence, inquisitive spirit and focused design response will add value and originality to all your brand, corporate and marketing communication projects.

Previous Clientele

Recent clients in the third sector have included: Groundwork Trusts, Futurebuilders England, Volunteering England, Voluntary Action Westminster, CAN - Community Action Network, TACT - The Adolescents & Children's Trust, LCSN - London Community Sports Network and Homeless Link.

Awards and Accolades

With over 28 years' graphic design experience, including work for a huge array of commercial and third sector clients, Toby provides invaluable direction and expertise to all creative projects.

Ultimately responsible for making sure clients get the proactive, high-quality creative support they need.

Full detailed CV supplied on request.
