Awards and Accolades
Commercial Art does one thing - it gets you, your brand, product or idea instant and lasting attention. That's my job.
I am very fluid in creative styles and ideas and very easy to work with.
I will never be a 'prima-donna artist' as empathy is a critical element to developing art that is appealing to a target audience.
I am in Reno Nevada but can and usually do work worldwide.

Owner of Athyrius Design since 2001.

Functioned exclusively as the brand developer, graphic Designer, CMS developer, advertising director and in and out of house presentation materials creator for Unified Energies International for the past 5 years.

Before that I did campaigns for The Palms in Las Vegas, sports for the MGM Grand and fashion oriented work and others.
