## Professional Experience and Curriculum Vitae

A Canadian from Halifax, Nova Scotia, Canada, Greg Fisher is an award-winning expert in a wide range of services including brand design / deployment, 3D production, interactive / web design, planning & interpretive design, integrated marketing & communication campaigns and television / video production.

Greg is the principle consultant for Atlantic Studio, a Halifax-based interactive design studio with a special interest in golf, real estate, hotel and resort marketing.

Since graduating from McKenzie College in 2000, Greg had his hand at the helm of Form:Media as Production Director and been involved with countless projects in Atlantic Canada. For the past 3 years, Greg has broadened his portfolio in the aggressive Dubai, UAE market as the Media Manager for Shaikh Holdings, a private holding company specializing in development, marketing and sales of exclusive properties worldwide. Greg also has a continuing interest in photography, music and the recording arts.

## Previous Clientele
