“I only get to choose three athletes for the Big provided Clay. That's not fair I would have checked all the boxes Clay brought great results, being personable, and highly creative, what I think separates Rob from the rest of the pack is in the industry is his high level of understanding for the production process combined with his ability to provide insight. His passion is evident - as he comes from that school of hard work and true discipline of the craft. That mindset allows for complete honesty, reliability and trust. The way what he does and does what he says. Try finding that in today's world's mess here and on.”

Robert Bacall Representation is highly recommended for the type and quality of work produced. His team is creative and extremely talented in photography and artistry. I had the pleasure of working with Robert and his team 3 times this year and I was very pleased with the results each time. He and his team had a great sense of what the client needed and they delivered. Thank you for all your efforts and looking forward to working with you again.

I have had the pleasure of working with Rob for over 15 years. He is extremely knowledgeable and dedicated. He truly understands the client's needs and has built and formed many solid relationships. Rob has helped me on numerous occasions, always listening, helpful and offering many options. The ease of how people I truly look forward to working with on a consistent basis.

Robert has always been willing to give his best in all of his projects. He treats people with respect and has great attention. I love his sense of humor, the really is good on getting things into perspective. He is knowledgeable, grounded and has a very strong value for being supportive to the people around him. I have always had a wonderful rapport with Robert and have appreciated the trust and respect he has had for me over the years whether I have been a client or he has been mine.

From old film to digital work, I was able to get what I've envisioned for the budget that had the lowest monetary and would do anything possible to make your shoot happen.

I've known Rob Bacall for over 15 years as a dedicated artist, agent and producer. He's a great advocate of his talent, to passionate about their art and works diligently to get it noticed. It's been a pleasure to work with him.

Robert did a fantastic job organizing three group shoots for one of our high profile clients. He had creative ideas that together we could provide a great product within our budget parameters.
