## Professional Experience and Curriculum Vitae

Since 1962 Battery Sales has been exporting and distributing the industry's best batteries and battery related accessories. We specialize in delivering quality products, providing excellent customer service, and sourcing hard-to-find specialty batteries. Looking for automotive batteries, commercial batteries, renewable energy batteries, marine batteries, or industrial batteries? How about motorcycle batteries, ATV batteries, Jet-Ski batteries, alarm batteries, or UPS batteries? We have all of these types in a variety of battery chemistries: such as; AGM (Absorbed Glass Mat), GEL, Dry Charged, Sealed Lead Acid, Maintenance Free, and the industry standard lead acid types.

Most batteries are in stock, ready to ship the next day or within a few days (with the exception of special orders). Please browse our user-friendly website. If you are not able to find your battery or accessory, give us a call or send an email. Battery Sales has a team of knowledgeable battery specialists who can assist with battery design, placing a standard order, cross referencing battery brands, and sourcing hard-to-find specialty batteries. Thank you for using Battery Sales!
