Professional Experience and Curriculum Vitae

With compelling vision, true passion, and innovative design sense, Brittany offers her clients memorable and meaningful illustrations and design solutions. She graduated from The University of Illinois with a BFA in Design on a full tuition scholarship. Brittany has worked with a wide range of clients, including holistic healthcare centers, restaurants, politicians, and record labels; for which she has received numerous awards for her design and fine art. Brittany's design talent, detailed illustration, identity marketing capabilities and fastidious attention to typography allow her to create unique and beautiful work in print and web-based media, as well as fine art.
