Testimonials:

Here at Ronald McDonald House Charities of Central PA, we are continually overwhelmed by the unparalleled graphic design of Bill Dussinger. We have worked with Bill for over ten years and each year we are "wowed" all over again. Bill creates the most creative and colorful designs for posters, invitations, and you name it! Bill turns his ingenious ideas into eye catching and innovative materials. We have been so thrilled

with his talents in creating just the perfect design to present our special events in the local community. I would recommend Bill to any organization who would like to deal with a truly gifted professional in a timely manner.
