## Professional Experience and Curriculum Vitae

Also known AS...

„burned camera“

If you pronounce my name the right way, what do you get? Funny coincidence and easy to remember.

Ever since my first photoclasse, age 14, with Horst Duerrschmitt in Lugano, i am hooked to the camera.

Being a Stuttgart homeboy, i am very happy to work with big and small clients all over this funky planet. And to make sure that my visual language is captured from the beginning to the end, most of the retouching is done inhouse.

Since 2017 I`m a BFF Professional.

## Previous Clientele

Maserati, Lamborghini, Audi, Porsche, Monkey 47, Mercedes, a lot of Car Magazines, and many more...
