Professional Experience and Curriculum Vitae

I graduated from Pratt Institute with a degree in Communication Design, majoring in illustration. After college, wanderlust took me all over this great big beautiful country of mine. In 1996 I finally landed in the San Francisco Bay Area, and decided that this was home. After 10 years in San Francisco, I moved to the art-rich city of Oakland, where I currently make my art.

Previous Clientele

Scholastic Books for Young Readers
Cafe Classico Foods
Burning Man LLC
San Francisco Bay Guardian
San Antonio Our Kids
San Jose Mercury News
Five Ton Crane
Computerworld Magazine
