Professional Experience and Curriculum Vitae
I’m Antoine Biron, 32 years, french graphic designer in Paris. I work for the children’s tv channels Gulli, Tiji and Canal J. I use to create game, apps and web interface. I come from south of France, a little coast town call Collioure . Photography is a passion, I’ve begin 10 years ago with mainly landscape and now I like photographing people, street atmosphere and also build conceptuals series.
