Professional Experience and Curriculum Vitae

Rakesh Goyal is working as a marketing head at Pace Biotech. I have more than 8 years of experience in the field of sales and marketing. I have newly joined this community and I love this. I am looking for new friends, want to grow my network with the help of this community.

Pace Biotech is the best ISO 9001: 2015 certified injections manufacturing company in India. The company is based in Paonta Sahib, Himachal Pradesh. We are manufacturing high-quality injectable and ophthalmic products. Quality in our product is the main concentration area.
