Professional Experience and Curriculum Vitae
About Me:
I do consider myself as a Multi-Disciplinary Designer. Currently living in London attached with Award Winning Retail Design Agency - Campbell Rigg Design Ltd and also the Founder of Bizarreka Design, the multi-disciplinary design practice..

I have almost 10 years work experience in Product & Furniture Design, Interior & Architecture Design for Environmental,Commercial and Retail Projects mostly in United Kingdom & Malaysia.

I have established a good reputation in designing and managing the projects and also became an instrumental in leading the design direction for the several projects.

About My Practice:
Bizarreka Design is a multi-disciplinary design practice with honour integrity which strives to provide the best services in:

- Architecture & Interior Design Services
- Design Strategy & Product development Services
- Brand Identity & Visual Communication Services

Specialties
I am now focusing on 3 specialisations:

- Interior Design
- Industrial Design
- Creative Design
