Professional Experience and Curriculum Vitae

Hi There,

As you may have guessed, I love creating illustrations of wonder and adventure. I love the whole process, from concept to sketch, all the way through to finished piece. I enjoy working in watercolors and I create them with care and attention.

Along with building my career in illustration, I volunteer my time as the Illustrator Coordinator for the San Francisco North and East Bay region of the SCBWI. Part of my responsibilities are to create Illustrator specific events for our region.

If you are the kind of person who shares my passion for well crafted and beautifully illustrated stories, I would love to talk with you. Contact me and we can start a discussion today.
