Summary

A designer operating an independent shop with experience working with a large array of firms in a number of different roles—servicing business clients by providing them with strategy, design and production. Duties within this endeavor include dealing with client management, design creation and production.

Experience

Designer, Brown Hornet Design,Inc.
January 2000 - Present (12 years, 9 months)
Versatile freelance designer working to ensure that communications of any kind don't just go through the motions, but strive to connect with its intended target. In this capacity, I've worked in environments including on-site freelance and design consultant.

Portfolio: brownhornetdesign.prosite.com

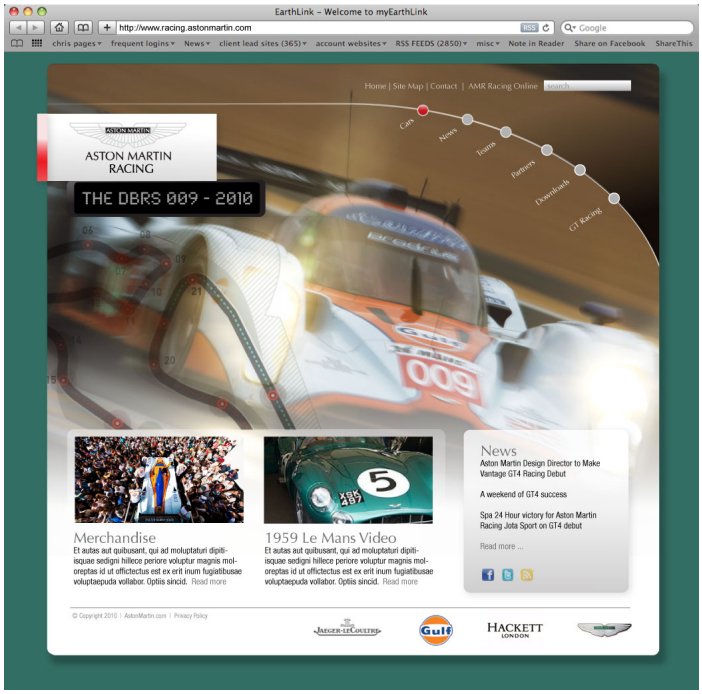

Advertising Manager, (temporary), Softmed Systems
April 2006 - December 2006 (9 months)
Assumed freelance assignment as advertising manager (temporary) operating a department responsible for two in-house designers and interfacing with a corporate medical software team. Worked with those designers to coordinate workflow and assist them in the direction of efficient completion of work, as well as creative and functional advice and direction.
Freelance Designer , (temporary), EURO RSCG
July 2005 (3 weeks)
