Professional Experience and Curriculum Vitae

Houston based photographer Bruce Bennett has worked across the state of Texas for over a decade, shooting corporate and editorial assignments involving industrial subjects, executive and environmental portraits, architectural interiors and exterior elevations, products, and food and beverage. He specializes in location lighting and cutting edge digital post-production techniques. His photographs have appeared worldwide in annual reports, industry and trade periodicals, and publications such as Newsweek, the New York Times, Paris Match, the Wall Street Journal, USA Today, the London Times Sunday Magazine, Globus Croatia, and MacLeans. Before starting his freelance business, Bruce spent eleven years at the Houston Post as a staff photographer and photo editor.

Previous Clientele

Clients include Anheuser-Busch, Dow Chemical, Koch Industries, Airgas, United Airlines, Verizon Wireless, the American Red Cross, U.S. Steel, TXU Energy, Cantoni, Matrix, the Houston Symphony, BP, Iron Mountain, and the Houston Ballet.
