## **Professional Experience and Curriculum Vitae**

I started working for a Studio in Salt Lake City during college. I developed a technique of making large format special effects on 8x10 ektachrome, way before Photoshop. I moved my special effects into the digital realm in the 90's. My understanding of light helps me create amazing images.

## **Previous Clientele**

Philips, General Electric, Sanyo, Weider Nutrition, Icon Fitness, Harman Music Group, Cadbury-Schweppes, Mrs. Fields Cookies, Subway, Arby's, Tony Romas, CBS, Sony, Fox

## **Awards and Accolades**

37 years of making amazing images for clients, great and small. After this many years, you're either really good, or you're out of business. See why so many Fortune 500 companies trust me to create the images that sells their products.
