Professional Experience and Curriculum Vitae

Irina Butusova's Summary

- What do you use as a job title?
- Illustrator, Visual Designer
- Which techniques do you use?
- Vector design, mostly starting from hand made sketches, 3D.
- What inspires you?
What I see around daily, music, Japan. I love is especially fresh character design, kawaii illustrations, flirty and sexy girls.

I love to draw because, I love it cause I can expres my self in my pictures more than I can in words. I love graphic design because I enjoy collaborating with people, sketching, brainstorming creative ideas...

Previous Clientele

...working in the Advertising industry. She worked in collaboration with such companies as Fogel-Ogilivy Interactive, ICQ, D-say (BBDO), as well as many others.

In the past 5 years, Irina has shifted his artistic efforts toward character design and illustration. She is probably best known for her work on the popular "Mentos" ad interactive campaign, which ran 2004.

In 2005 Irina was invited by Tel-Aviv advertising agency " People Interactive" to design the Coca-Cola music internet site. The site was featured by Coca-Cola Corporation and became very popular interactive space. More recently, she has done work for ICQ and created illustrated characters for a Lee Copper game.

She currently resides in Berlin .

Her current plans include having design of lighting stand lamp, solo exhibitions (coming soon exhibited in Berlin and New York) and to publish a book of her work.
