Professional Experience and Curriculum Vitae

Hi, my name is Fabrizio and I am working as graphic designer in Rome, Italy.

I have drawn since i was 4 years old and have used Photoshop and Illustrator for about 4 years. Lately I also discovered Indesign.

The images in my gallery are © Fabrizio Calicchia. All rights reserved!
If you have any question don't hesitate to contact me and if you like my works and would like to post or publish them somewhere feel free to do that, but please let me know and put a link to my page with appropriate reference and source.

Every comment, constructive criticism and tip is welcome.
