Professional Experience and Curriculum Vitae
Captain Zack is a unique and most preferred brand in the pet care and grooming segment, providing natural and vegan products filled with herbal extracts that are free of nasty chemicals, for your pet. CaptainZack comes under the parent company Em&Em, a well-known natural product brand in India. Established in 2017, Captain Zack focuses on the safety of your pets by using cruelty free ingredients in their products, which helps the pets be cheerful & joyous all day.

Mission:
Introducing your pets to cruelty free natural products free of chemicals that could harm them.

The uniqueness of Captain Zack:
? Captain Zack promotes natural vegan ingredients in their products with herbal extracts.
? The principal aim of Captain Zack is to protect animals from harmful chemicals.
? Captain Zack's eco-friendly products make sure they protect the environment and promote sustainable growth.

About Captain Zack products:

The products produced by Captain Zack are free of harmful nasty chemicals and full of vegan and herbal extracts. The natural ingredients used in these products ensure safety of dogs and keeps their health a top priority while producing these products. These ingredients help the animals to be irritation-free and free of numerous diseases. Eco-friendly products by Captain Zack emphasizes that environmental care is as important as the life of pets.

Vision :
Captain Zacks aims to provide, improve and develop products in the dog care range that not only help the dogs but also has an overall positive impact on the environment itself. Value in terms of care is their utmost priority.
