Professional Experience and Curriculum Vitae
I'm a lifestyle photographer specializing in food, travel, people and interiors as well as shooting video also. I'm an experienced freelancer of 20 years starting my career as as newspaper photographer before moving into lifestyle photography.

I now work all over the world producing photographs for a wide range of clients for my travel, food, people and interiors photography.

Previous Clientele
I've worked for many national and international newspapers and magazines ranging from the Telegraph Magazine, Times, Living etc, Washington Post and numerous others.

I now also do a lot of work for commercial clients and I've worked for Rolls-Royce, Prime Location, Goodwood Racecourse, Wagamamas and other companies in the lifestyle sector.
