Professional Experience and Curriculum Vitae
Owing to the simplified process of reselling and highly responsive interface Cartlay is emerging as one of the best reseller Apps in India. At Cartlay, we are trying to bridge the gap between sellers, buyers and promote the businesses in such a way that everyone is on the winning side.
At Cartlay, we have more than 10,00,000 resellers registered who have sold more than 20,00,000 products. Cartlay being the most preferred online reseller app covers more than 500 towns across the country.
