Professional Experience and Curriculum Vitae

Hi, I work as an artist, make art pieces for the world's top art galleries. When I have an exhibition my flights and accommodation costs are paid by the gallery. I get paid to do what I love. During my work I'm invited to appear on TV and radio programmes about vashikaran yantar. It feels really good to be an artist and to make a good piece of work. I am here to interact with new friends.
