Professional Experience and Curriculum Vitae

I'm a 29-year-old Gynecologist and working in silver lake hospital. I live in Seattle, WA. I searching for kali shabar mantra to make my work more effective. My inspiration comes from my life, from what I feel, what I experience, the things I listen to, the things I see and also what I can't see, the things I'm told. I try to export interesting latest technologies and want to gain knowledge.
