Community Based Support

CBS provides a wide range of support services across the State of Tasmania to people that are frail aged, people with disabilities and unpaid carers. CBS provides a range of Aged Care services that are Delivered at home, as well as in the community. Community Based Support, or "CBS" as we are more commonly known, is a Not-for-profit organisation that's been supporting people to remain living independently at home since 1988! We're very proud of the fact that we're Tasmanian owned And operated and we believe this has gone a long way in helping us understand the needs of our fellow Tasmanians. Please see our Aged Care Service pages to find out more on aged care support, or simply contact us with your query. As a registered NDIS supplier, CBS provides Service solutions to people with disability and people with mental illness that allow them to attain their aims in life.
