Professional Experience and Curriculum Vitae
Cengiz Bodur was born in Germany and raised in Turkey, where he gained a degree in Fine Arts. Although his creative background is traditional art, he has been creating digital art works for six years. He gives plenty of his time to create vector illustrations. He always likes to try out different ways to express his ideas with digital art. His work is mainly influenced by nature. He likes illustrating portraits, landscapes, flowers. Cengiz is currently working as a freelance illustrator and web designer. Cengiz specializes in portraits, animals, flowers and nature illustrations. He creates clean shapes and pastel colors to give light expression to the theme. He has worked with various clients in North America, Europe and Turkey AWARDS 1989 DYO National Painting Award 2002 1.Antalya Art Festival, Winsor & Newton National Award

Previous Clientele
Computer Arts, Esselte, Birikim FCA, Beautiful Decay Magazine, Woodsuch Magazine
