Professional Experience and Curriculum Vitae

Non devo fotografare per vivere, ma vivo per fotografare.

Ho imparato l'arte fotografica frequentando la scuola professionale di fotografia a Milano, poi ho fatto un'altro mestiere per 20 anni, ma la fotografia non mi ha mai abbandonato ed è tornata prepotentemente a ridestarmi. Adesso sono ritornato.

After attending the professional school of photography in Milano, I forgot everything for more than 20 years, now I came back all in the mind, and I want to return.
