Professional Experience and Curriculum Vitae
Bonjour!
Welcome to Chez Jolly! In French, "Home of Jolly".
Jolly is a pair of Francophiles (Those with a passion for all things French!) who are also Best Friends; Jessica & Holly. Mix them together & you have Jolly!

We are lovers of the simple things in life, with a passion for travel! All of the photographs you will find at Chez Jolly are those taken during our travels.

Our definition of a daydream can be defined as a visionary creation of the imagination. All of our photographs are edited to evoke a daydream in each viewer. Take a look & you will see...Thank you for stopping by!
À bientôt,
Jessica & Holly
