### **Professional Experience and Curriculum Vitae**

I'm a Creative director in San Diego, USA. I map out future plans and make sure the result and process match the client's goals and objectives. I love working with computers in different capacities, and I also enjoy spending time with my family & friends, and My strong interest in explore new thing and collect new knowledge, so I collect and read many types of books and magazines, A few days ago, I read a book called vashikaran mantra to break engagement, which was really interesting. Basically I like to read astrology, historical topics. I have a small library in my house.
