### **Professional Experience and Curriculum Vitae**

I'm a Creative director in San Diego, USA.I map out future plans and make sure the result and process match the client's goals and objectives.I love working with computers in different capacities, and I also enjoy spending time with my family & friends, and My strong interest in explore new thing and collect new knowledge, so I collect and read many types of books and magazines, A few days ago, I read a book called vashikaran mantra to break engagement, which was really interesting. Basically I like to read astrology, historical topics. I have a small library in my house.
