Professional Experience and Curriculum Vitae
‘When I was a kid, I always dreamt I would sail around the world with my best friend Hamish. The dream didn’t make a lot of sense, because I didn’t sail. I think it spoke more about the two things I really prized – friendship and adventure’.

Born in Wellington New Zealand, the middle child of five, Chris spent his early years in the little village of Eastbourne looking across the harbour to the capital. It was a childhood filled with fantastic memories and countless hours exploring the coast and the bush that surrounded him.

Chris now bases himself out of Auckland in New Zealand. Where he lives with his wife and 2 daughters.
His time is spent on his own personal projects, photographic commissions and recently some directing.

Shooting Landscapes, Lifestyle and Cars. Chris’s work takes him around the globe, from the Mountains of New Zealand to the Deserts in North Africa.
