Professional Experience and Curriculum Vitae
Christian lives his work. For him, it’s less about documenting a subject than truly getting inside the subject matter and living it. He specializes in capturing real moments in a polished and unique way. His distinctive, consistent style and creative approach have helped brands define themselves, while earning Christian many industry awards, including: Communication Arts (advertising and photography), One Show, Addys, American Photography and PDN (photo annual) to name a few. This past year he was selected again for Archive Magazines – "200 Best Ad Photographers Worldwide" as well as the Communication Arts Advertising Annual in the "Fresh Section" and a feature on the "a photo editor" blog.

Based in Brooklyn, NY, Christian and his team collaborate with creative teams worldwide on award winning advertising campaigns and slice of life projects. When he’s not on location or shooting personal projects you can find him hanging with "Peu Peu" - his French speaking cat, working on his vintage Harley, playing the guitar, or wave hunting for the perfect tube ride while avoiding broken glass, dirty trash bags, needles and ice storms at Rockaway Beach at 67th Street.
