Professional Experience and Curriculum Vitae
I am a globe-trotting visual story-teller and integrated-media photographer, equally at home creating unique images on the beaches of Brazil or on location in Moscow. As a native German who has lived and worked in Africa and Asia, I am currently splitting my time between San Francisco, New York and soon Europe. My well-travelled perspective brings an experienced eye to luxury, fashion and lifestyle assignments in advertising, editorial and new media contexts.

Previous Clientele
international brands (Cisco, Sony, Dell, Target, RayBan to name a few)
international advertising agencies (Ogilvy, DDB, BBDO, Cutwater, Grey, Venables, McCan to name a few)
design firm
international publications like publishers of books and magazines
