Previous Clientele

CLAUDIA EMANUELA COPPOLA, born in Milan, Italy in 1966, is uniquely positioned as an artist, moving effortlessly across disciplines as a writer, painter, theatre director and illustrator. Sinuous lines, vivid colors and sensational tones are characteristic of the faces she paints. The enchanting eyes of her young figures express an immense fragility, a sadness mixed with innocence. Trapped in their dreamy world, Coppola's figures have the power to open us to the soul with their glance. Coppola has been widely recognized with awards and exhibitions in Madrid, Roma, Napoli, Milano, Torino, Taormina, Treviso, Budapest, Paris, London, Lisbon, Berlin and New York.
