Professional Experience and Curriculum Vitae

Do you need help with your digital marketing strategy?

Clayive is a full-service digital marketing agency in Houston specializing in Search, Social Media, Branding, and Web Design. Our goal is to give businesses more control over their online presence by offering a full spectrum of services from SEO to website design. We also offer paid advertising through Google Adwords and Facebook Ads.

You can have the best product or service, but if no one knows about it, then what good is it? That's why we work hard to get our clients' results to focus on doing what they do best – running their business!

With us as your partner, you will see how much time and money we save you every month while increasing your bottom line. It's all part of our mission at Clayive - giving small businesses big results!

Let us show you the power of digital marketing today!
