Professional Experience and Curriculum Vitae

After studying children's book illustration and bookbinding at the Rhode Island School of Design, Cory Anne Sharer graduated in 2006 with a BFA in Illustration. She has since gone on to become a graphic/web designer and curator at The Cooperstown Art Association Galleries in upstate New York. She now has 6 years experience in web/graphic design including book design, logos, branding and creating the look and feel for fundraisers, exhibits and companies. She is proficient in HTML, CSS, Photoshop and Illustrator. She also makes miniature book earrings, journals, and other paper products from found and recycled materials and sells them all over the area. She enjoys aged letters, tea, windmills and the sun.
