Professional Experience and Curriculum Vitae

High-end freelance retoucher based in Paris.

I don't do TFP generally, but i may be interested if the pictures are gonna be printed on nice magazines.

If you need rates, send me an email to this address: [cristian.girotto\(at\)me.com](mailto:cristian.girotto(at)me.com), possibly with the pictures you want me to retouch in low res and eventually your ideas to work on them.
