## ANTARIS

In an extreme cold and futuristic setting, social  
and materials change their behaviour. Design  
as an alchemy where the texture of materials  
changes with the extreme cold,  
and the metallic alloys reflects.  
Futurism with  
a limited touch of brass,  
aluminum and titanium.

See anyone?

*"Si le ciel se souvient encore le  
vrai amour,  
L'œil mystérieux, mortel,  
sans ses larmes,

Comme T'âme le bruit de la

Tu m'attends dans l'orage à la
